- Poverty Point Project – E/045/007 (Exploration project changed to Mining operation –  
file has been archived)

#### 3. *List of all environmental-related notices of violation or other noncompliances:*

We do not show that any violations, noncompliances, etc. have ever been issued to either Ideal Basic Industries or Holnam, Inc. by this regulatory agency. Holnam, Inc. is currently in compliance with the State of Utah Mined Land Reclamation Act and corresponding rules. Holnam, Inc. may also have sought additional environmental permits from the Utah Department of Environmental Quality for their mining operations. We would suggest contacting that agency directly for further information in this regard. Their address and phone # is: 168 North 1950 West, Salt Lake City, Utah 84114-4810 (801) 536-4400

Hopefully, this is the information you are searching for. If we can be of further assistance, please contact me at (801) 538-5291.

Sincerely,

Joelle Burns
